### **HONEYWELL POWER PRODUCTS ADDS NEW SALES REPS IN SOUTHEAST TERRITORIES**

#### *Southeast Security Products Representing Power Products in Eight States*

NORTHFORD, CT — Honeywell (NYSE:HON) Power Products is pleased to announce the appointment of Southeast Security Products as its sales representative organization for the Florida, Georgia, Alabama, Mississippi, Tennessee, North Carolina, South Carolina and Virginia territories. Honeywell's comprehensive line of power supply products, from small plug-in transformers to large system power supplies, provides effective power solutions for fire, video, intrusion, and access control systems.

Southeast Security Products is a sales representative organization with a 15-person team of low voltage product experts. Teamed with Honeywell Power Products' factory sales force, Southeast Security Products reps will provide sales and technical support to the territory's power supply security distributors and installers.

"I am very excited about this new partnership. Roy Nilsen's team at Southeast is top notch in their market space," says Gene Pecora, GM of Honeywell Power Products. To reach Southeast Security Products, call 954-786-5900 or email [sales@octvsecurity.com](mailto:sales@octvsecurity.com).

For a comprehensive library of Honeywell Power Products' data sheets, installation manuals, CAD (computer aided design) files, and voltage drop calculators, visit [www.honeywellpower.com](http://www.honeywellpower.com). To reach Honeywell Power Products by phone, call toll-free 877-HPP-POWR (877-477-7697), or email [powerproducts@honeywell.com](mailto:powerproducts@honeywell.com).

Honeywell Power Products, part of the Honeywell Life Safety Group, designs and manufactures high-quality power solutions for access control, fire, intrusion and video applications. From small plug-in transformers to large systems power supplies, information on Honeywell's complete power portfolio is available online at [www.honeywellpower.com](http://www.honeywellpower.com).

Honeywell International is a \$33 billion diversified technology and manufacturing leader, serving customers worldwide with aerospace products and services; control technologies for buildings, homes and industry; automotive products; turbochargers; and specialty materials. Based in Morris Township, N.J., Honeywell's shares are traded on the New York, London and Chicago Stock Exchanges. It is one of the 30 stocks that make up the Dow Jones Industrial Average and is also a component of the Standard & Poor's 500 Index. For additional information, please visit [www.honeywell.com](http://www.honeywell.com).
